Egypt U-shaped steel cable tray price quote

Overview

By preventing cable tangling and allowing easy access for maintenance and upgrades, cable trays enhance safety and minimize the risk of electrical fires.

Key Takeaways

U-shaped steel cable trays in Egypt are available from multiple suppliers, with prices influenced by material, thickness, size, and accessories, and formal quotes can be requested directly from manufacturers.

Suppliers and Options

United Engineers offers a wide range of cable trays, including U-shaped designs, with pricing determined by material (galvanized steel, aluminum), sheet thickness (0. 8–2 mm), and tray dimensions. Accessories such as covers, connectors, and angles also affect the cost.

They provide detailed price quotes and catalogs upon request, ensuring compliance with modern quality and safety standards.

Metal

Egypt supplies galvanized steel, stainless steel, and aluminum cable trays suitable for indoor, outdoor, and corrosive environments. They provide full system accessories including bends, risers, and junctions, and can issue customized quotations based on project requirements. Metal Store – MS Steel manufactures U-shaped and perforated steel trays with thicknesses ranging from 1.
