

Kenya Large Cable Tray Support Quotation

Overview

We offer competitive Cable trays prices in Kenya to suit various industrial and commercial applications.

Key Takeaways

Large cable tray supports in Kenya are available from multiple suppliers, with options in galvanized steel, stainless steel, and aluminum, and prices vary based on size, type, and customization.

Suppliers and Options

Duff Engineering Ltd offers premium cable trays in standard and custom sizes suitable for industrial and commercial applications, ensuring efficient cable support and organization. Fedi Office Supplies provides heavy-duty ladder, perforated, solid bottom, and wire mesh trays designed for large cable loads, with robust construction to prevent sagging or corrosion.

TD

K Tech Store supplies metallic cable trays in galvanized steel, stainless steel, and aluminum, with standard lengths of 8 feet (2.44 meters) and widths from 25mm to 100mm, and thicknesses ranging from 0.6mm to 3.

0mm.

PM

Z Limited specializes in cable trays for commercial, industrial, and data center applications, offering solutions for high-volume cable management with easy maintenance access. Rapidtech Networks Limited stocks ladder, solid bottom, perforated, and wire mesh trays, including galvanised options for indoor and outdoor installations, with fast delivery across Kenya.

Key Considerations for Quotation

Material: Galvanized steel for general use, stainless steel for corrosion resistance, aluminum for lightweight applications. **Tray Type:** Ladder trays for heavy-duty support, perforated trays for ventilation, solid bottom for sensitive cables, wire mesh for flexibility. **Dimensions:** Standard lengths of 8 feet, widths 25–100mm, heights 50–600mm; custom sizes available.

Load Capacity: Ensure the tray type and material match the weight of cables to prevent sagging. **Customization:** Many suppliers offer tailored solutions for unique dimensions or specific design requirements. **Delivery and Installation:** Confirm lead times, shipping options, and on-site support if needed.

How to Obtain a Quotation
Contact Suppliers Directly: Provide specifications including tray type, material, dimensions, and quantity. **Request Custom Options:** If your project requires non-standard sizes or heavy-duty support, ask for a tailored quotation. **Compare Prices and Services:** Evaluate suppliers based on cost, delivery time, warranty, and after-sales support.

Consider Bulk Orders: Large projects may qualify for discounts or special pricing. For a precise quotation, reach out to suppliers such as Duff Engineering, Fedi Office Supplies, TDK Tech Store, PMZ Limited, or Rapidtech Networks with your project specifications to receive competitive pricing and delivery options.
