Key Takeaways

FBPMalta, Brownrig Supplies, and Polmesh (Polidano Group) are among the top providers of mesh cable trays in Malta. FBPMaltaFBPMalta offers a range of cable trays and mesh trays suitable for electrical installations, emphasizing quality and durability for both commercial and industrial projects. Their products are designed to support efficient cable management and are widely used in local construction and electrical projects.

Brownrig Supplies

Brownrig Supplies Direct Ltd. is a leading supplier of mechanical and electrical products in Malta, including galvanized steel cable trays. They provide dedicated service to trade and industry, with extensive storage and distribution capabilities, making them a reliable choice for large-scale installations. Polmesh (Polidano Group)Polmesh, part of the Polidano Group, specializes in electro-welded steel mesh and lattice girders, producing high-quality mesh products for construction and electrical applications.

Their production lines ensure customized and standard mesh cable trays with strict quality control, making them suitable for demanding projects. Considerations for Choosing a SupplierMaterial quality: Galvanized or stainless steel mesh trays offer better durability and corrosion resistance. Customization: Polmesh provides tailor-made solutions for specific project requirements.

Availability and service: Brownrig and FBPMalta have strong local presence and distribution networks. Project scale: For large industrial or commercial projects, suppliers with extensive stock and fast delivery, like Brownrig, may be preferable. For the best combination of quality, customization, and local support, Polmesh and FBPMalta are highly recommended, while Brownrig Supplies is ideal for readily available standard mesh trays.
