Key Takeaways

Monaco businesses can source cable trays from international suppliers like Schiavetti Tekno, Trayco, and global B2B marketplaces that serve the region.

Key Suppliers and Options

Schiavetti Tekno (Spina Group): An Italian manufacturer specializing in industrial cable trays and accessories. They offer stainless steel, galvanized, and wire cable trays in various types, including ladder, perforated, closed, and wire-mesh trays. Custom sizes, such as 300 mm trays, and compatibility with Unistrut systems are available.

Products comply with European (EN) and international (UL) standards, and technical support, testing, and after-sales assistance are provided. Trayco: Offers a wide range of cable trays, ladders, mesh trays, mounting systems, and floorsystems suitable for industrial and commercial installations. Their products are designed for durability and ease of installation.

Global B2

B Marketplaces: Platforms like Tradewheel, ThomasNet, and GlobalSpec list numerous cable tray manufacturers and distributors. These platforms allow buyers in Monaco to access standard and custom cable trays, including galvanized, stainless steel, waterproof, and fiberglass options. They also provide direct communication with suppliers for pricing, customization, and bulk orders.

Considerations for Monaco Buyers

Material and Type: Choose based on environmental conditions and load requirements (e.g., stainless steel for corrosion resistance, ladder trays for heavy cables). Standards Compliance: Ensure products meet EN, UL, or other relevant international standards. Customization: Many suppliers offer custom sizes and configurations to fit specific installations.

Technical Support: Suppliers like Schiavetti Tekno provide design assistance, installation guidance, and after-sales service. Delivery and Logistics: International suppliers can ship to Monaco, but confirm lead times and shipping costs. By leveraging these suppliers and marketplaces, businesses in Monaco can secure high-quality cable trays for industrial, commercial, or infrastructure projects.
